ADMISSION

We welcome our community to join us in a showcase of America's aviation during our two-day Air Power Expo starting on April 26th on board NAS Fort Worth JRB, Texas.

The Air Power Expo will kick off both Saturday and Sunday morning at 11:00 (gates open at 9:00) with aerial performances and flight demonstrations from the very best in the business.

To show appreciation to our neighbors in the local community, the base will open its doors to welcome the general public to join the ranks of service members and their families.

Please navigate through our site to find more information about our Air Power Expo.
